Legal Statements for the Open Industry 4.0 Alliance

Legal Disclaimer

This presentation outlines a general direction and should not be relied upon in making a purchase decision. This presentation is not subject to any current license agreement or any other agreement with any of the presenting parties - or any members of the **Open Industry 4.0 Alliance**. The presenting parties have no obligation to pursue any course of business outlined in this presentation or to develop or release any functionality, offerings or services mentioned in this presentation. This presentation and Open Industry 4.0 Alliance strategy and possible future developments are subject to change and may be changed by the presenting parties at any time for any reason without notice. This document is provided without a warranty of any kind, either express or implied, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose, or non-infringement. The presenting parties assumes no responsibility for errors or omissions in this document.

Safe Harbor Statement

This document is intended to outline future product direction and is not a commitment by the presenting parties – or other members of the **Open Industry 4.0 Alliance** - to deliver any given code or functionality. Any statements contained in this document that are not historical facts are forward-looking statements. The presenting parties undertakes no obligation to publicly update or revise any forward-looking statements. All forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. The timing or release of any offering described in this document remains at the sole discretion of presenting parties. This document is for informational purposes and may not be incorporated into a contract. Readers are cautioned not to place undue reliance on these forward-looking statements, and they should not be relied upon in making purchasing decisions.

Open Industry 4.0 Alliance
