### Our opportunities for early adoption within the Alliance

## Focus Topic 2020: Early adoption of OI4 Concepts by members

As discussed in the last members meeting the early adoption of OI4

concepts will be the focus topic in 2020.

Please find more detailed information about our member with Shopfloors & Showfloors [here](#).

*For further information contact the Service Bureau:*

*+ 49 521 7702 79840 or  
info@openindustry4.com*

## Latest News

**Virtual Events concepts in the making**

Please stay tuned for our Virtual Events concept on which we are currently working on. The scope and content is discussed and is being finalized.

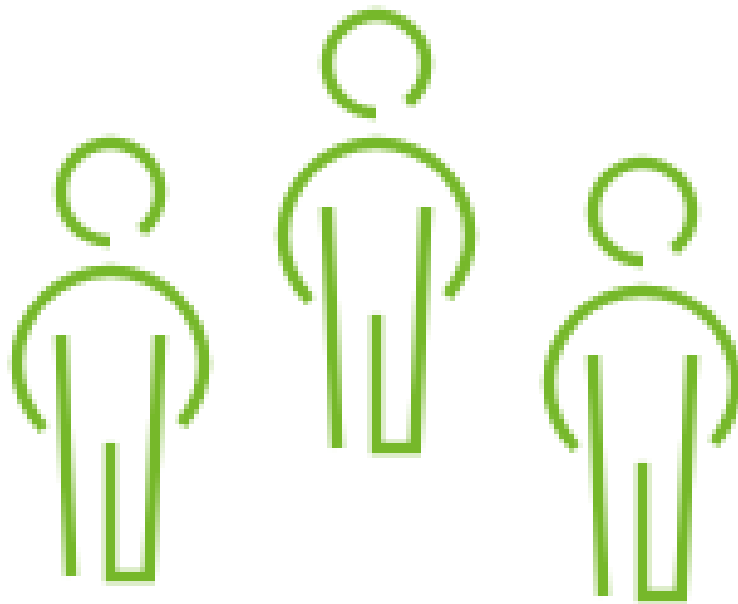

## **Collaboration with International Data Spaces Association**

For further information please contact the Tech committee.

## **The YouTube Channel is live now**

We have launched the official YouTube Channel for the Open Industry 4.0 Alliance. Please make sure you follow our new channel. The published videos can be reused for your companies communication measures.

## **Next members call on 27th May 2020**

Our next members call will take place on 27th May 2020 between 10:00 and 15:30 am. Please notice that the timing has changed.

Focus Topic for the virtual meeting will be:

- Results from Strategy Workshop
- Virtual event concept
- Update on early Adoption

For further information contact the  
Service Bureau:

# **Action items for all members**

For any questions or comments,  
please contact our service office:

Every member with a  
factory/production facility shall ask  
their production employees &  
management about their pain points  
and find out about their needs in  
order to build a reference case in  
your own facilities.

Make sure that your internal  
stakeholders know why your  
company is a member of the  
alliance.

Recruit your friends and customers-  
we are happy to help.

Please send your companies press announcements, blogs, whitepapers about the Alliance to the Service Bureau prior to publishing it.
